

PROFILE

HEMMAT SHABAB
FOUNDATION FOR
DEVELOPMENT

Who we are

Established in 2012, Hemmat Shabab Foundation for Development "HSF" is a non-profit NGO, licensed by the Ministry of Labor & Social Affairs in the Republic of Yemen. HSF is as an independent civil society organization focusing in socio-economic development, our work at HSF is unaffiliated and impartial to all political and religious parties/associations. As 'Transparency' is one of HSF's core values, we are proud to have our financial statements audited by an internationally recognized professional services firm, Deloitte & Touche (Middle East).

Chairman Statement

Since the inception of Hemmat Shabab Foundation in 2012, we have been striving to make a positive impact on sustainable socioeconomic development in Yemen. Our drive in believing that all lives in Yemen have equal values, makes us always feel the responsibility to working on building capacities for the less fortunate families, empowering the motivated young entrepreneurs, attending to the humanitarian reliefs when they arise, and to continue spreading the message of peace throughout our media platforms.

Together with our local, regional, and international partners, we believe that we can still do more to cover more gaps in the socioeconomic needs in Yemen. We thrive by long-term partnerships based on trust/ transparency and were determined to always find solutions in the most innovative practical ways. Lets touch more lives and continue making a more positive impact. Join us!

Founder and Chairman
**Mohamed Murad
Mutahar**

Chairman Statement

Our Mission

We are committed to active contribution in achieving sustainable socio-economic development in our community, through the active participation and dedicated efforts of young Yemeni volunteers, and the continued support of our local, regional and international partners.

Our Values

Respect : We recognize our diverse community and advocate equal treatment for all members.

Transparency : We honour the trust of our community and partners by maintaining integrity and transparency in all of our operations.

Innovation : We strive for creativity and innovation in the projects and initiatives that we undertake.

Commitment : We passionately dedicate time and effort to advancing our mission.

Our Values

Strategic Directions

- Social and economic empowerment of less fortunate families.
- Encouraging and advancing the engagement of Yemen's youth in entrepreneurial projects and ecosystems.
- Providing quick response and relief in the event of humanitarian crisis.
- Promoting positive social and environmental messages through influential media platforms.
